# Felton Community Fire Co 75<sup>th</sup> Anniversary 5K/10K run/walk

It was first thought that the Felton Fire Department was founded in 1851, however records from the town assessor indicate the department was first founded on February 26, 1883.

In the fall of 1939, a special citizens committee met with the purpose of reorganizing the department. Thirty one men met that day and voted to change the name to the Felton Community Fire Company. It was decided that a committee would be formed to develop a constitution, and by-laws.

The first fire house was located on Lumbart St in a building that also housed the town hall, and the city jail. The first president of the Felton Community Fire Company was J. E. Glackin and the first fire chief was W.C. Milbourn.
