

RESOLUTION 07-R-08

A RESOLUTION TO AMEND THE TOWN OF FELTON CONSTRUCTION STANDARDS AND SPECIFICATIONS

WHEREAS, on or about January 8, 2007, the Town Council of the Town of Felton adopted an ordinance adopting the “Town of Felton Construction Standards and Specifications” as amended from time to time; and

WHEREAS, said ordinance permits amendment to any or all of the Standards and Specifications by simple resolution of the Town Council; and

WHEREAS, the Town Engineer has reviewed the current Standards and Specifications in light of current industry standards and practices and has recommended amendments to the current Standards and Specifications; and

WHEREAS, it is the desire of the Town Council to adopt the recommendations of the Town Engineer;

BE IT HEREBY RESOLVED by the Town Council of the Town of Felton, a majority thereof concurring in Council duly met, that the following Resolution be enacted:

A Resolution to amend the “Town of Felton Construction Standards and Specifications” to be consistent with current standards and practices.

Section 1. Section 2.12.A. of the “Town of Felton Construction Standards and Specifications” shall be amended to add a new final sentence which shall read as follows:

Disinfection sampling shall take place following a successful pressure test and prior to the installation of corporation stops on the main, unless instructed otherwise by the Town Engineer.

See Exhibit A, attached hereto.

Section 2. Section 2.13.B. of the “Town of Felton Construction Standards and Specifications” shall be amended to add a new final sentence which shall read as follows:

No corporation stops shall be installed on the main prior to the successful completion of the hydrostatic pressure test.

See Exhibit B, attached hereto.

Section 3. Drawing D2-1 shall be amended to include a new “Note 4” which shall read as follows:

CURB STOP NOT SHOWN BUT REQUIRED.
SEE SECTION 2.14 OF THESE STANDARDS.

See Exhibit C, attached hereto.

Section 4. These amendments shall be effective on the date of the adoption of this Resolution. These amendments are applicable to all permit applications filed after the effective date of this Resolution.

Synopsis

This Resolution amends two sections and one drawing of the “Town of Felton Construction Standards and Specifications” in a manner consistent with the recommendations of the Town Engineer. The amended sections relate to disinfection of water mains, water main pressure testing. The amended drawing adds a Note related to curb stop requirements.

This will certify that this is a true and correct copy of the Resolution duly adopted by the Town Council of the Town of Felton at its regular Council meeting on September 10, 2007.

ATTEST:

Town Clerk

Mayor
